**HAVE YOU BEEN TO AL DUCCI'S?
If not, Stop in Today & See What We Offer!**

A traditional Italian market with provisions that would
make any Italian or gourmet feel at home

"Al Ducci is the sort of old-fashioned delicatessen found in urban areas a century ago. It's more than an Italian delicatessen with the finest prepared foods in the area. It's a hangout for the townspeople, the spot where news flows, and the place where natives go to say hello to one another and to the shopkeepers."

—Sheryl Julian, The Boston Globe
